

**Derek Giberson**  
**Statement of Interest**  
**February 21, 2026**

I am standing for re-election to the Board of Directors of Pathwise Credit Union for a third term to continue applying the leadership skills, financial sector knowledge, and commitment to cooperative principles that I bring and have further developed during my first two terms.

During my time on the Board I obtained my Accredited Canadian Credit Union Director certification from the University of Dalhousie and the Canadian Credit Union Association, and as the Board Chair from September 2022 to April 2026 I have worked with our Board to navigate multiple challenges and changes where we have come out stronger and with newly developed confidence.

I continue to believe in the value that this Credit Union provides to individual members and the membership as a collective whole, and by extension the wider community – we are stronger together.

Outside this role, I'm an Oshawa City Councillor first elected in 2018, and have been the Chair of the Corporate and Financial Services Committee of Council for the 2022-2026 term. Current and past experience includes the boards of the Back Door Mission, Parkview Place Seniors Non-Profit Housing, and the Robert McLaughlin Gallery.
