

Rajeeve Perera
Statement of Interest
February 21, 2026

I am a very experienced finance and business professional with 20 + years of corporate experience having held a variety of leadership positions at some of the leading Canadian financial services and retail organizations. In 2021, I co-founded S Cube Business Advisory to provide Fractional CFO and financial advisory services to support the growth of small and mid size businesses.

I bring strong skills and experience in finance, evaluating risks/opportunities and leadership. In addition to my extensive corporate experience, I am also a Lecturer in Finance at the University of Toronto. This is a role that is near and dear to my heart as I enjoy helping and guiding young people to shape their future professional careers.

Since April 2025, I have been an Associate Director on the Pathwise board and a member of the Audit and Risk Committees . I seek nomination as a voting director so I can continue to support the Executive Leadership team to successfully execute the strategic vision of the organization to support its members and the community it operates in. I strongly believe that my experience and expertise in finance and business will continue to add value to the future success of Pathwise and its members.
